Robert Burns

"The voice of Nature loudly cries, And many a message from the skies, That something in us never dies." - Robert Burns

Bocclair celebrated Burns Day in style, with Dale the piper and singer adding to the Scottish atmosphere. Our residents and staff had a fantastic time.

Recent Activities

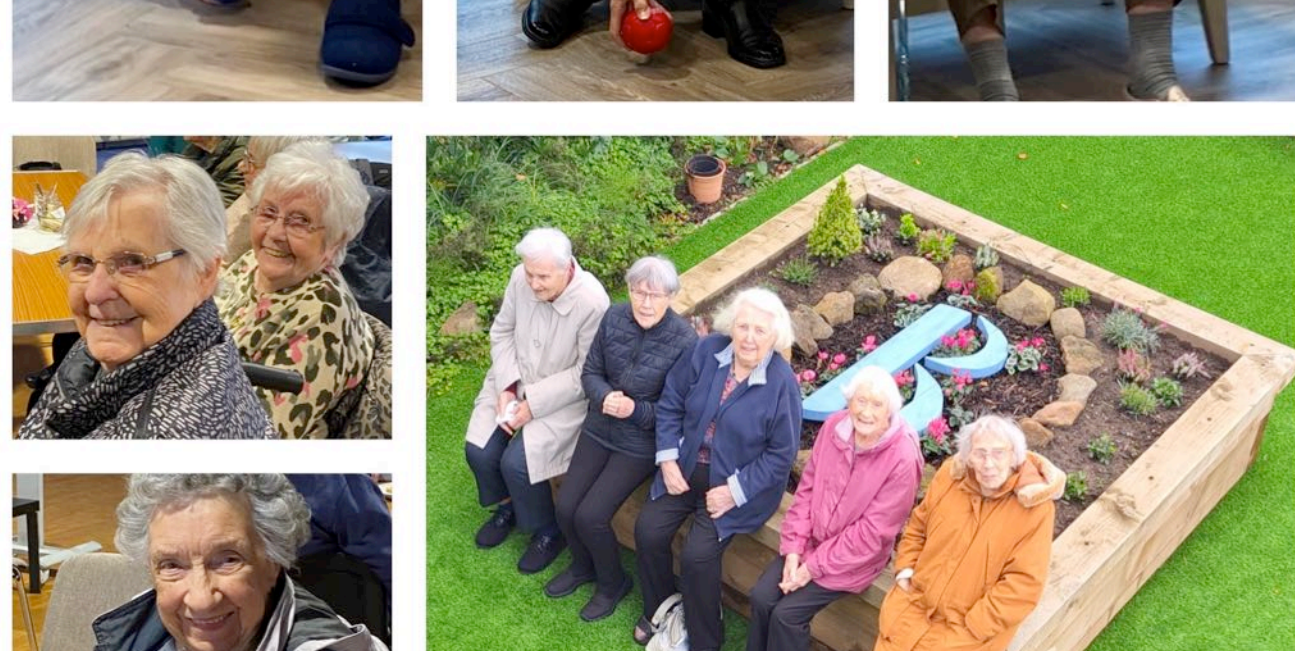

Bocclair has been abuzz with activities and events lately, and January was no exception. The weekly yoga class has resumed after the holiday break and is proving as popular as ever.

The tea afternoon at the new Kilpatrick Church was also a fun event and everyone enjoyed singing along to the tunes.

The Pie & Bovril Gentleman's Club has commenced – we think the football seems to be the main topic of conversation!

Additionally, the residents had a great time at the Mad Hatters Tea Party complete with a yodelling competition!

Musical Entertainment

Singing & Dancing

Bocclair has been fortunate to have some great musical entertainment lately. John Bennet and Sharon Stevens have been performing for the residents and we have been thoroughly enjoying their performances. Jim from the Salvation Army also visited and led a service with some fantastic singing.

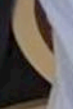

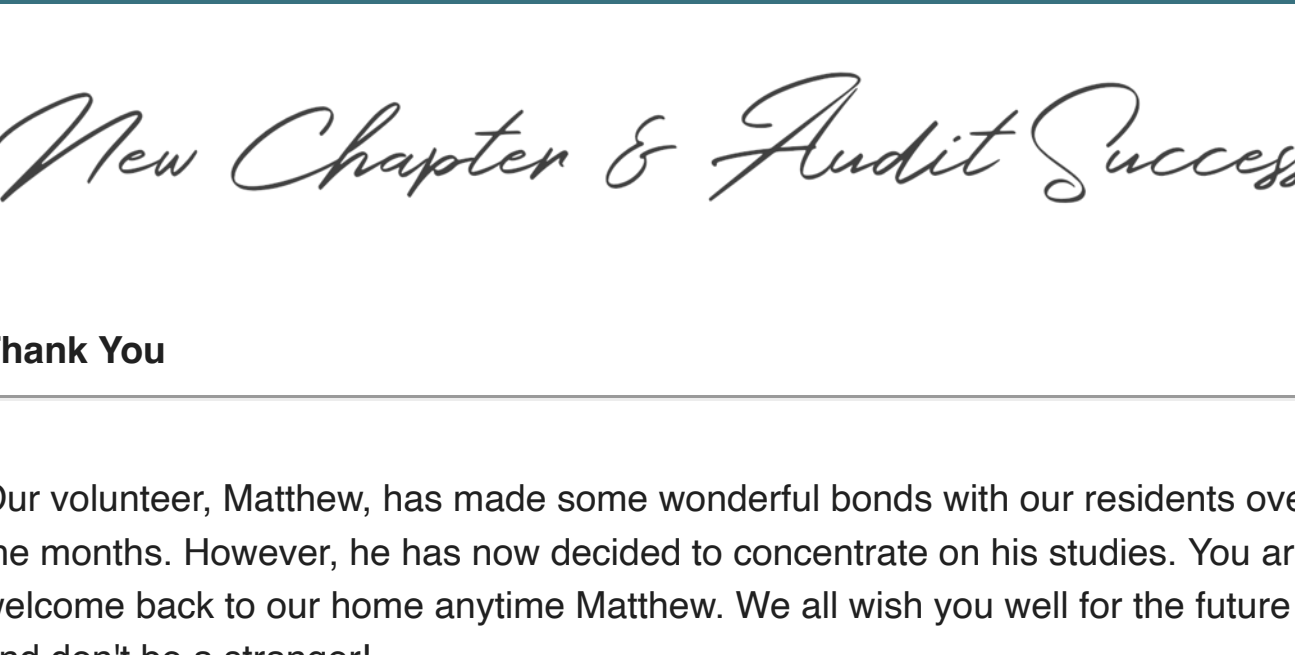

Spanish Classes

Expanding Our Knowledge

The Spanish classes have begun! Spanish is our next language for our talented residents, since the Italian classes were a massive success. We are off to Spain for the next 10 weeks! Wonder if that means we can drink Sangria...

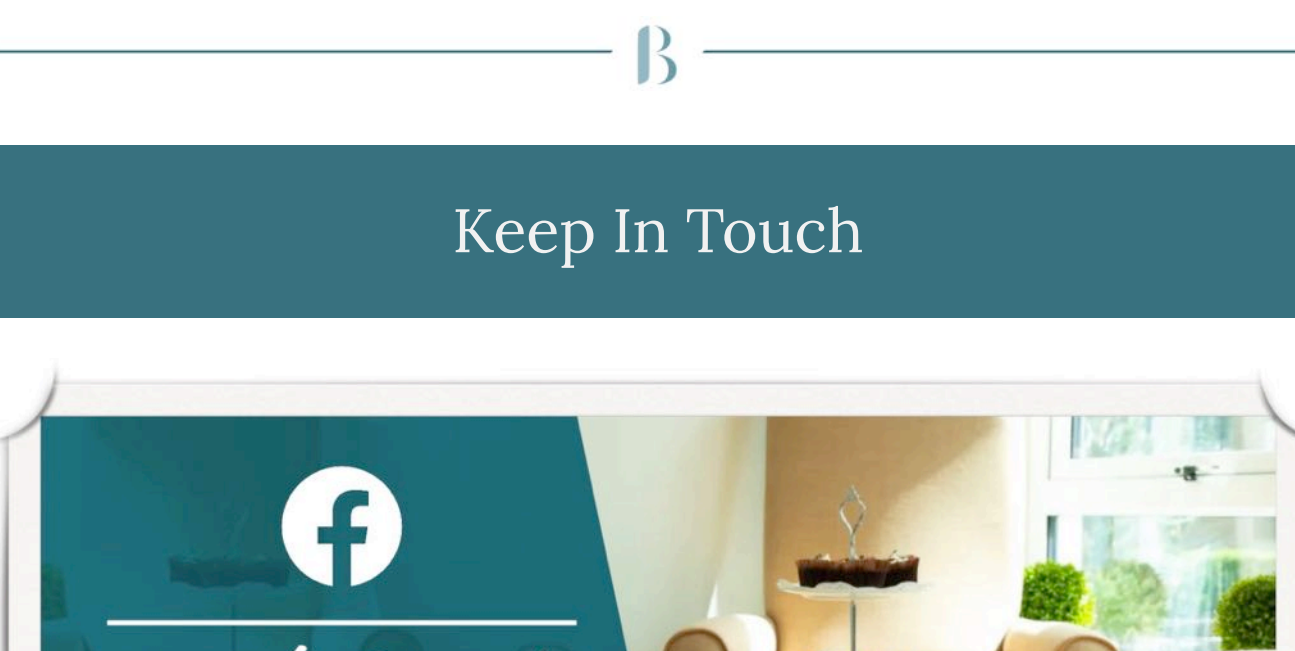

News & Updates

New Chapter & Audit Success

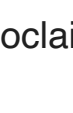

Thank You

Our volunteer, Matthew, has made some wonderful bonds with our residents over the months. However, he has now decided to concentrate on his studies. You are welcome back to our home anytime Matthew. We all wish you well for the future and don't be a stranger!

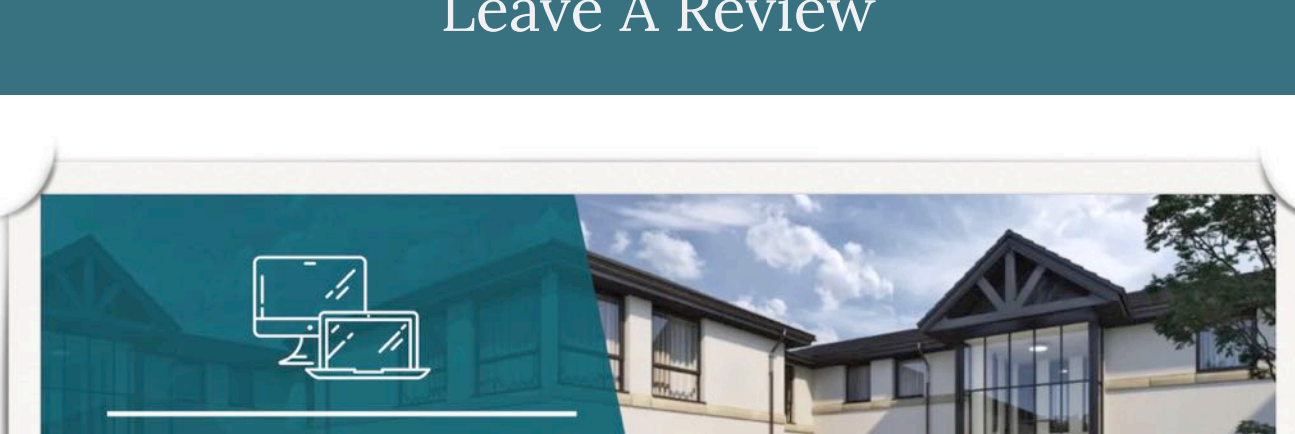

Recent Audits

Apart from the fun activities, Bocclair has also had some serious business to attend to. We have had our Quality Audit – this checks that we are compliant and working to safe standards. We had a visit from the collaborate team who audit us using the care home audit tool (chat). We hope to have the results to share soon. We also had our Health & Safety audit and we are sure we have done well in both.
