## CELEBRATING SCOTLAND

### Burns Day

We had a rewarding time crafting decorations and having a piper in the home to celebrate Robert Burns Day. Residents enjoyed the tunes and were happy to witness the stirring performance followed by a traditional Burns supper.

## THE MOST WONDERFUL TIME OF THE YEAR...

### Christmas Festivities

We had a spectacular time celebrating Christmas together throughout December. Our Christmas party was fantastic, featuring entertainment from the wonderful Angela Duncan.

Our residents were delighted by a cheeky little visitor on the lead up to Christmas - Elflyn the elf! Her playful antics brought smiles all around, filling the home with laughter and good cheer. From her mischievous surprises to her light-hearted fun, Elflyn brightened many days and created plenty of moments to enjoy and remember.

Our wonderfully artistic and creative residents had a lovely time getting into the festive spirit by making their own decorations for our Christmas tree. With plenty of imagination, colour, and care, each decoration was crafted with pride and personality. The finished tree looks absolutely fabulous, and it has been heart-warming to see how much joy and achievement this creative activity brought to everyone involved.

## ACTIVITIES & EVENTS

### Live Concert

We had the absolute pleasure of welcoming Jennifer's grandson and his partner into our home for a spectacular performance, showcasing their vocal skills from their training at the Royal Conservatoire. We were all blown away by their voices.

We have also been fortunate to welcome a variety of other entertainers into our home, each bringing their own special touch of fun and nostalgia. Their performances sparked fond memories, encouraged laughter, and created a wonderful atmosphere for our residents to enjoy together.

### Community & Friendship

Friendships play such a big part in our home. We love being together, and our friends make our home a happier place. These visits foster togetherness, reduce isolation, and create meaningful experiences for everyone who attends.

### Nursery Visitors

We have been building connections with the wider community and were delighted to have the opportunity to visit the children at a local nursery. The visits have been bringing so much joy to our residents over the last few months. Our residents have loved the company of children from the local community, and this intergenerational activity not only fosters connection but also creates cherished memories. We can't wait for more collaborative visits in the future.
